

ICOHAR International Conference on One Health Antimicrobial Resistance

Instructions for poster presentation

The prerequisite for exceptional poster is a good graphical representation. You are requested to adhere to the following guidelines.

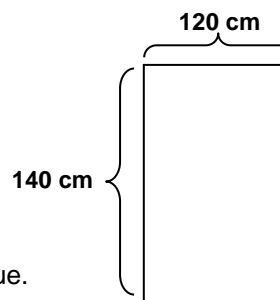

Poster board measurements

Vertical presentation

Width: 120 cm

Height: 140 cm

(as reference: A0 format: 84,1 x 118,9 cm)

Please note: There will be no printer-station or print-service at the venue.

Structure

We suggest to design your poster layout as follows:

- Title, author, address (on the upper edge, across the width of the whole poster)
- Introduction
- Method(s)
- Results
- Conclusion

Text The title should be emphasised by the use of a bold type face. This writing should be easily readable at a distance of 2 meters. The text can be broken up by the inclusion of drawings, charts and photos.

Numbering Poster numbers will be provided and fixed at each poster wall. Material to affix the posters will be provided. Please refer to your poster number, sent to you within the notification letter.

Mounting and removal times Please mount your poster at the indicated time so that delegates can visit your poster at their leisure. Your presence is mandatory during the poster viewing. If the poster has not been removed by the end of the allocated removal time, it will be disposed of by congress staff.
